Subject: Advisory Opinion Request 2024-02

Dear Ms. Beaver:

Thank you for speaking with me this afternoon about your advisory opinion request on behalf of Congresswoman Maxine Waters and Citizens for Waters. This is to confirm my understanding that the requestors anticipate that the distribution of the proposed brochures will be the same as the distribution described in AO 2004-37; that is, that at least 500 pieces of each version of the brochure will be mailed.

Please reply to this email to confirm the accuracy of this information, or to clarify or correct it as necessary. Please note that your response may become part of the advisory opinion request. If so, it will be posted on the Commission's website.

Regards,

Joanna S. Waldstreicher
